## *BMW Adventure motorcycle Safari - Namibia*

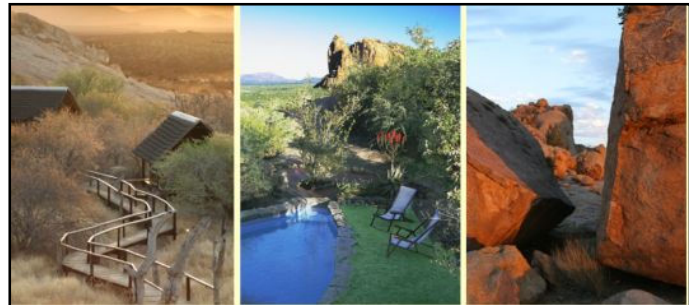

### ***Day 1:***

Upon arrival at Hosea Kutako Int. Airport (Namibia) you will be transferred to the Goche Ganas Luxury Lodge, later that evening you can enjoy a welcome dinner and an introduction from your expedition guides where vital information will be shared with you.

### ***Day 2:***

Depart early morning for Erongo Wilderness Lodge via the Khomas Hochland this leg of the expedition is about 210 miles. Enjoy a two night stay at Erongo Wilderness Lodge.

### ***Day 3:***

This morning enjoy a 95 mile ride to Spitzkoppe, an 800 meter high granite monolith mountain projecting from the surrounding gravel plains and explore other interesting landmarks at leisure, later returning to Erongo Wilderness lodge for the night.

### ***Day 4:***

Today you will journey 195 miles for the coast via Uis and the Brandberg, the highest mountain in Namibia, across southern Damaraland. We approach the Atlantic Ocean to feel the temperature plummet to a much more comfortable degree and head southwards to the historical and picturesque town of Swakopmund. Once there we can relax for the evening at the century-old and famous Hansa Hotel.

**Day 5:**

A 95 mile day trip to the moon landscaped and ancient Welwitchia plants in the Northern Namib-Naukluft Park. Various activities at extra cost such as scenic flights over the Namib Desert and the coast or dune boarding are available or you can relax at the lovely Hansa Hotel for the rest of the afternoon.

**Day 6:**

Today enjoy a 220 mile journey from the coastal region to the Kuisib Canyon made famous by two WWII German geologists who absconded from the war by hiding out there. After refreshments we push on to the most spectacular deserts in Namibia, Sossusvlei where you will overnight at the majestic Kulala Desert Lodge.

**Day 7:**

A very early morning will have you heading towards Sossusvlei itself and experiencing a sunrise surrounded by the highest dunes in the world! Explore Dead Vlei and Sesriem Canyon before covering a short distance to Wolwedance Dune Lodge. The distance covered for the day will be about 115 miles.

**Day 8:**

A day spent at leisure exploring the astonishing beauty and extraordinary solitude of the Namib-Rand reserve from the comfort of a 4 wheel drive vehicle. Hot Air Ballooning and other activities are available at extra cost.

**Day 9:**

After a restful day out of the saddle, enjoy a hearty full-English breakfast. After which we then climb on to our trusty BMW's and head northeast via Remhoogte pass and once again join asphalt road at Reheboth for the last stretch northwards to Goche Ganas luxury lodge for the Farewell diner and a well deserved rest. Massage therapies and spa treatments are available for the weary souls!

**Day 10:**

This morning after breakfast you will ride to the Hosea Kutako International Airport where your international flight Itinerary Homebound will commence.
