World-class comfort, style, food and rare vintage wines stroke the senses and exclusive accommodation for the discerning traveller.

Boulders Lodge towers over the landscape, a monolith of curving thatch and piled stone that joins seamlessly with the rocky geometry that holds it to the earth. Senufo artefacts and bold sculpture offset smooth linen in blue and silent white, as cascading water cools the summer air. Boulders Lodge rests on the banks of the Sand River in the heart of the Singita Private Game Reserve, unlocking the senses to views that stretch to the edges of the imagination. Singita Boulders' suites feature magnificent stone bathrooms and bedrooms that encapsulate in luxury. Quiet, simple and luxurious, moments spent on the vast sun decks at Boulders Lodge will leave you at the mercy of the breathtaking wild distance.

Day Three & Four:

After senses are awakened by the sounds of the bushveld, you will congregate with the rangers at the main lodge for tea, coffee and light snacks in anticipation of the early morning game drive. As the early morning sun rises over the horizon, rangers and trackers head out with guests into the African bushveld. One can sense the excitement... who knows what to expect? The sound of creatures awakening to a new day stirs your passion for Africa and its many wonders.

The fresh aromas of Singita's signature breakfast entice you back to the lodge. Overlooking the African plains from the main deck, a spectacular breakfast follows your return from the morning game drive, with a buffet of seasonal fruits, cereals, yoghurts and fruit juice, followed by a delectable hot breakfast. At your leisure - whether an indulgent massage or beauty treatment at the spa, relaxing under an African sun on your sundeck, a workout at the gym or some superb shopping at the trading store, any number of discoveries await. After spending the morning at leisure, Singita's talented chefs prepare a medley of culinary delights for lunch, inspired by African flavours yet guided by western cooking tradition.

As the endless African day starts to cool and the shadows are forming across the plains, you will enjoy afternoon refreshments, which are served in the main lodge before the evening game drive. A vivid sunset sky forms the backdrop of an unforgettable wildlife experience. As darkness approaches, the animals become more active, rarely seen nocturnal creatures emerge and incredible interactions are the order of the day. Pause midway for drinks and conversation as the sun disappears at one of the many vantage points hidden in the bush. The evening drive is the apex of the African adventure, moments that will define forever your memories of Africa. One by one, the drivers return to the lodge, the fires are lit and the night's entertainment begins.

Return to the lodge for dinner around the fire in the Boma under a starlit sky, or a gourmet meal by candlelight in the dining room. A fusion of venison dishes, fresh fish from the South African coast, pastas, soups and vegetables, dinner at Singita is a sumptuous affair, where you will be enchanted by the rhythm and harmony of a local choir. Retire to your suite for a restful nights sleep in preparation for the next exciting day.
